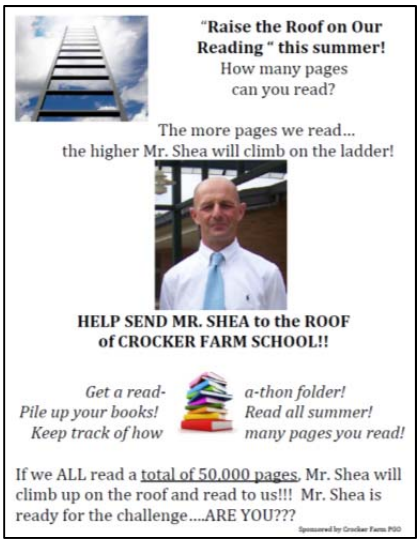
RAISE THE ROOF!

Crocker Farm Summer Reading Challenge 2018



This summer, Crocker Farm Principal Derek Shea, school educators, and the PGO are asking students to read as much as possible. Families reading aloud to children counts, as does reading on your own or reading with a friend. Read whatever you want: graphic novels, comic books, picture books, long books, short books, big books, small books, magazines, articles, made up stories, or real ones. They all count!

You can keep track of your reading on this log or on the online version (https://tinyurl.com/y7d9tmgj), or a combination of both (just don't double count please). We'll be adding up the number of pages that get read. Please turn in this log in the fall.

HAPPY SUMMER & HAPPY READING TO ALL!

NAME: _____ Grade in September 2018 _____

Date	Pages Read	Book/Article title (Optional)

Date	Pages Read	Book/Article title (Optional)

If you read more than this (wow!), please list your additional reading on any piece of paper and turn that in too.
